## DV SERIES R32 VACUUM PUMP 2 STAGE - 25 MICRON

- Spark proof design suitable for A2L/R32 Refrigerants
- Gas ballast valve
- 2 Stage direct drive to achieve deep 25 micron vacuum
- 240V/50Hz - 5 metre lead with Australian plug
- 1/4", 3/8" & 5/16" Access tee with brass caps
- Ergonomic handle and shock-proof base
- Solenoid valve to protect system from oil if power failure occurs

	DV-50ER32	DV-100ER32	DV-150ER32
VOLTAGE	240V/50Hz		
AIR DISPLACEMENT	50l/m	100 l/m	150 l/m
ULTIMATE VACUUM	25 microns		
POWER	190W	360W	560W
RPM	1440 - Low RPM Motor for longer life		
OIL CAPACITY	300ml	450ml	590ml

AE0014 ISSUE 1 - 0619 an ASPEN PUMPS GROUP brand

## QUICK ACTION TUBE BENDERS

BD12106 - 3/8"  
BD12108 - 1/2"  
BD12110 - 5/8"  
BD12112 - 3/4"  
BD12114 - 7/8"

Strong aluminium bending former makes it easy to remove bent tubes without damaging.

## MULTI SIZE EXPANDER KIT

BD13800 1/4" PATENTED  
3/8" • 1/2" • 5/8" • 3/4" • 7/8" • 1" • 1"-1/8"

The Black Diamond Expander Kit comes complete with 8 different head sizes including the worlds first 1/4" head.

## FLARING TOOLS

BD14545 **Eccentric Cone Flaring Tool** 1/4"-3/4"  
BD15545 **Drill Drive Flaring Tool** 1/4"-3/4"

Black Diamond Flaring Tools are made of light weight strong aluminium, the total weight is reduced by more than 40% compared to regular flaring tools.

## MULTI SIZE TUBE BENDER

BD12999  
1/4" - 7/8"

Patented 90-degree indicator lets the user know when they reach 90°. This tube bender set comes with 7 different sizes of Aluminium Bending Forms and is easy to assemble.

Black Diamond tube cutters are made from light-weight strong aluminium, they have spring systems to help keep pressure while cutting. The cutter wheels have a titanium coating for increased efficiency and durability.

## MINI TUBE CUTTERS

BD11112  
1/8"-5/8"

BD11166  
1/8"-7/8"

## MEDIUM TUBE CUTTERS

BD11288  
1/8"-1 1/4"

BD11382  
1/8"-1 5/8"
